Exam Structure

CA Final is the concluding level of Chartered Accountancy, attempted after your articleship period. Two groups of three papers each, with a case-study-based multidisciplinary paper and mandatory self-paced online modules (SPOM).

Group I

- Paper 1: Financial Reporting
- Paper 2: Advanced Financial Management
- Paper 3: Advanced Auditing, Assurance & Professional Ethics

Group II

- Paper 4: Direct Tax Laws & International Taxation
- Paper 5: Indirect Tax Laws
- Paper 6: Integrated Business Solutions (case-study based)

Pass: 40% per paper, 50% aggregate per group; 60+ gives exemption. Clear SPOM before appearing.

First-Attempt Strategy

- Plan around articleship — fix a 4-month full-time study window and defend it.
- FR and AFM are rank-makers: Ind AS and valuation mastery lift the whole group.
- Study tax from the latest ICAI amendments and RTP — they change every attempt.
- Practise integrated case studies weekly for Paper 6.
- Solve the last five attempts' papers, timed.
- Protect sleep and routine in the final 90 days — retention beats extra hours.

Mistakes That Cost Attempts

- Underestimating audit theory volume.
- Preparing outdated tax provisions.
- No timed writing practice for 3-hour papers.
- Leaving SPOM planning until the end.

Ready to clear CA Final and become a CA?
