Exam Overview

- NEET-UG is the single entrance test for MBBS, BDS and allied medical courses in India.
- Conducted by the NTA; 180 questions from Physics, Chemistry and Biology.
- Biology (Botany + Zoology) carries the highest weight – 90 questions.
- Marking: +4 for a correct answer, –1 for a wrong answer.

How to Prepare

- Master NCERT thoroughly – most Biology and Chemistry questions come directly from it.
- Build strong Class 11 basics before moving to Class 12 topics.
- Solve previous years' papers and take regular mock tests.
- Maintain an error notebook and revise it every week.
- Balance board exam preparation with NEET syllabus, as they overlap.

High-Weight Topics

- Biology: Human Physiology, Genetics, Ecology, Cell Biology.
- Chemistry: Organic reactions, Chemical Bonding, Equilibrium, Coordination Compounds.
- Physics: Mechanics, Electrostatics, Current Electricity, Optics, Modern Physics.
- Aim for accuracy first, then speed.
