India: Essentials

- India has 28 states and 8 union territories.
- The Constitution came into effect on 26 January 1950.
- National symbols: tiger (animal), peacock (bird), lotus (flower), banyan (tree).
- The three organs of government: legislature, executive and judiciary.

World & Science

- The United Nations was founded in 1945; its headquarters are in New York.
- Seven continents and five oceans make up the Earth.
- The human body has 206 bones in adulthood.
- Photosynthesis lets plants make food using sunlight, water and carbon dioxide.

Staying Updated

- Read a newspaper daily – focus on national and international headlines.
- Note down important days, awards, sports events and appointments.
- Revise static GK (capitals, rivers, leaders) regularly.
- Good GK helps in school quizzes, Olympiads and future competitive exams.
