Major Scholarship Exams

- NTSE (National Talent Search Examination) is for Class 10 students.
- NMMS (National Means-cum-Merit Scholarship) is for Class 8 students.
- State-level and school-level talent exams offer cash awards and recognition.
- Olympiads (Maths, Science, English) build strong fundamentals.

What They Test

- MAT (Mental Ability Test): reasoning, patterns and logic.
- SAT (Scholastic Aptitude Test): Maths, Science and Social Science.
- Questions go slightly beyond the school syllabus.
- Speed and accuracy both matter.

How to Prepare

- Master your NCERT thoroughly first.
- Practise reasoning and previous years' papers.
- Take timed mock tests regularly.
- Start early – even a few months of steady prep makes a big difference.
