Weeks 4 & 3 Before

- Finish any leftover syllabus – no new topics after this.
- Revise using one-liner notes and formula sheets.
- Solve full previous-year papers under timed conditions.
- Build an error notebook of every mistake you make.

Week 2 Before

- Focus on high-weight chapters and your weak areas.
- Take full-length mock tests every 2–3 days.
- Revise diagrams, maps and important dates daily.
- Analyse each mock – fix mistakes, do not just re-attempt.

Final Week

- Only revise – do not attempt hard new problems.
- Sleep 7–8 hours; a rested brain recalls better.
- Skim your error notebook and formula sheets.
- Stay calm, eat well, and trust your preparation.
